# **EDI Voting Systems Benefits**

## **Council/Board Meetings**

Faster meetings

More accurate vote counts

Private votes (show results after all voted)

No time-consuming vote roll calls

Lower staff costs

Smoother discussion and clearer transcriptions/minutes,  
with Request-to-Speak option

Clear result display

Only one panel needed for voting and audio

## **Windows Computer Interface Option**

Immediate, formatted input to word processor

Save results by agenda item and voting member for:

Immediate report on results

Archival

## **Televised Meetings**

Better presentation

Upscale look

Clearer votes

More attentive audience

No handwaving to speak, with Request-to-Speak option

Can use Vote Display Globes versus Display Panel,  
with Video Interface option
